Re: Comcast Cable Communications, LLC
CV07-0009

Dear Mr. Damiano:

We received your request to amend your State-Issued Certificate of Franchise Authority for cable and/or video service. Your amendment has been accepted. An amended certificate is attached.

The Federal Communication Commission's Cable Act Reform 47 C.F.R. 76.952 states that "all cable operators must provide to the subscribers the name, mailing address and phone number of the franchising authority, unless the franchising authority in writing request that cable operator to omit such information."

Since we are not authorized to regulate cable activities, the Department of State, Cable and/or Video Franchise Section, requests certificate holders to omit the department's name and contact information from the monthly billing inserts to subscribers. The Department of State does not have any authority to resolve customer service complaints. The Department of Agriculture and Consumer Services is responsible for responding to customers' complaints.

If you should have any questions, please call us at (850) 245-6010.

**RE: Comcast Cable Communications, LLC
CV07-0009**

Dear Ms. White:

Please find enclosed: 1) An Application to Amend a State-Issued Certificate of Franchise Authority For Cable and/or Video Service (the "Application"); and 2) A check in the amount of \$35 made payable to the Florida Department of State.

Consistent with our desire to keep you fully informed regarding the activities that relate to the cable service provided in Florida, we are amending the name of a legal entity operating in various service areas as described in Attachment A of the Application. Effective August 4, 2023, Comcast of Florida/Michigan/New Mexico/Pennsylvania/Washington, LLC has been changed to Comcast Cable Communications Management, LLC. The ownership and control of the franchise certificate holder is not affected. The change will have no effect on the company's franchise obligations, or on the company's liability for those obligations. Finally, the change will not affect the management or day-to-day operations of our cable system.

Additionally, we are providing you notification that we have commenced service in the City of Kissimmee, Florida, and that this new service area is included in Attachment A of the Application.

At your earliest convenience, please forward an amended certificate to my attention at the address below. If you should have any questions regarding this matter, please do not hesitate to contact me by phone at (904) 716-0107 or by email at justin_damiano@comcast.com.

Sincerely,
